CHARTER

Granted by the Legislature of Quebec

[Assembly Bill No. 28]

Assented to 24th July, 1880

AN ACT TO INCORPORATE THE **RISTIGOUCHE SALMON CLUB**

WHEREAS, Locke W. Winchester, Francis C. Lawrance, Oliver K. King, Charles L. Tiffany, Marvelle W. Cooper, Charles F. Fear-
ing, Roland Redmond, Robert C. Livingston and
John L. Cadwalader, all of the City of New York,
in the State of New York, one of the United
States of America, have by petition represented
that they, with others, are interested in a tract of
land on the Ristigouche and Matapedia Rivers,
in the township of Ristigouche, in the county of
Bonaventure, which now stands in the name of

the said Locke W. Winchester, and that they desire to promote fishing and hunting thereon, and so to manage the same as to make the said land and surroundings available and attractive for the purposes of a club formed by them; and that such purposes can be better attained by the aid of a charter of incorporation, and that it is their desire to be incorporated, and have prayed for the passing of an act to that end; and whereas it is expedient that such prayer be granted;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows:

I. 1. The said Locke W. Winchester, Francis C. Lawrance, Oliver K. King, Charles L. Tiffany, Marvelle W. Cooper, Charles F. Fearing, Roland Redmond, Robert C. Livingston and John L. Cadwalader, together with all such other persons as shall become members in the manner hereinafter provided, are constituted a body corporate and politic by the name of the "RISTIGOUCHE SALMON CLUB."

II. The purposes and the powers of the Club are:

1. To promote the health and recreation of its members by the pursuit of fishing and hunting.

2. To acquire from the said Locke W. Winchester and hold as proprietors, the lands and property in the township of Ristigouche, bought by him from Daniel Fraser, and also to acquire such land in the province of New Brunswick, on the River Ristigouche, opposite to the aforementioned lands and property, which it may acquire and hold consistently with the laws of New Brunswick; and to exercise all riparian rights which may appertain to such lands.

3. To acquire and hold the right, to be exercised by the members, to fish in the Rivers Ristigouche and Matapedia, or in any part thereof; and to acquire and hold all licenses necessary for that purpose.

4. To acquire from time to time, and hold with the approval of the Lieutenant-Governor in Council, such other real estate as the wants of the Club may require.

5. To lease or sell the real estate belonging to the Club, or any part or portion thereof.

6. To sub-let the right it may have to fish in the said rivers, or to grant permission to such persons as it may see fit to fish in said rivers or to shoot game on its lands.

7. To take such action or proceedings as may be necessary to protect the fish in said rivers and the game on its lands.

8. To build upon the lands held by the Club all houses or other buildings required, from time to time, for the accommodation of the members and its agents, officers and servants; and

9. To improve and develop generally its property in the interest of the Club.

III. 1. The capital stock shall consist of the sum of forty thousand dollars, to be divided into forty shares of one thousand dollars each, which may, however, be from time to time increased, as the wants of the Club require, to an amount not exceeding seventy-five thousand dollars, by a two-thirds-in-value vote of all the members at

a meeting or meetings called for that purpose; provided always that no such increase of stock shall be made until after the whole amount of the original stock shall have been paid in cash, and that any further increase shall be paid from time to time in the same manner.

[Dec. 12, 1891, Resolution passed increasing the Capital stock to Forty-five thousand dollars by the issue of five additional shares. Pursuant to said resolution two shares of one thousand dollars each were issued in 1892, and the remaining three shares are still held at the disposal of the Executive Committee. Outstanding capital stock January, 1925, is \$42,000, consisting of forty-two shares of which three have been bought in and are held in the Treasury.]

IV. 1. The capital stock shall be paid by the members, when and as the directors shall require or as the By-Laws may provide.

V. 1. The stock shall be deemed personal property and be assignable in such manner only and subject to such conditions and restrictions as the By-Laws prescribe; but no share shall be assign-

able until paid in full, and until all amounts due to the Club have been paid, nor shall any share of stock, although assigned, entitle the assignee to any rights or privileges as a member, or to a voice in the affairs of the Club, until he shall have been duly elected a member. Any person transferring his stock shall cease to be a member of the Club.

VI. 1. Every member, except the original incorporators herein named, and such other persons as are now interested in the said lands and property jointly with them, must be elected in such form and manner as the By-Laws shall prescribe.

2. No person, although elected, shall become a member until he shall be the owner of at least one share of stock upon the books of the Club; and if any person so elected shall not cause to be transferred to himself at least one share of stock within thirty days after notice of his election, the same shall be void.

VII. 1. At all meetings of the Club every member shall be entitled to one vote only, and all votes may be given in person or by proxy; pro-

vided always the proxy is held by a member and is in conformity with the By-Laws.

VIII. 1. The said Locke W. Winchester, Francis C. Lawrance, Oliver K. King, Charles L. Tiffany, Marvelle W. Cooper, Charles F. Fearing, Roland Redmond, Robert C. Livingston and John L. Cadwalader shall be the directors of the Club until replaced by others duly elected in their stead.

IX. 1. The affairs of the Club shall be administered by a board of not less than seven nor more than ten directors, being members of the Club. They shall be elected by ballot at the first general meeting (of which each shareholder shall have ten days' notice by letter mailed to his address), and thereafter, by ballot, at each annual meeting, and shall hold office until their successors are elected; and they may always be re-elected.

2. Three members shall constitute a quorum.

3. In case of death, resignation, removal, or disqualification of any director, the Board may

fill the vacancy, until the next annual meeting, by appointing any member thereto; but a failure to elect directors or any failure of directors shall not dissolve the Club, and an election may be had at any general meeting of the Club called for that purpose.

X. 1. The Board of Directors shall from time to time elect from among themselves a President, a Vice-President, a Secretary and a Treasurer (which two latter offices may be filled by one person) and an Executive Committee of four members. The Board shall have power from time to time to fix the amount, if any, which shall be paid by each member to the Club as annual dues, not to exceed fifty dollars for each member in any one year. The Board shall have full power to affix penalties for non-payment of the said annual dues, and may forfeit the stock of any member who, after notice, shall fail to pay the same, and expel such member. The Board, after notice in writing of thirty days to the party offending, shall have power to forfeit the mem-

bership of any member whose conduct shall be pronounced, by a vote of two-thirds of the members of the Board present, to have endangered the welfare, interest, or character of the Club. The Board shall further have full power in all things to administer the affairs of the Club, and to make, or cause to be made, any purchase or contract in conducting the Club; to adopt a common seal; and to make, from time to time, any and all By-Laws (not contrary to law or to resolutions of the Club) regulating the payment of stock, the issue and registration of certificates of stock, the forfeiture of stock for non-payment of any amount due thereon or any amount due to the Club, the disposal of forfeited stock and the proceeds thereof, the transfer of stock, the appointment, functions, duties, and removal of the Executive Committee, and of all agents, officers and servants of the Club, their remuneration, the time and place for holding the general annual and other meetings of the Club or the meetings of the Directors or Executive Committee, which may be held either in the Province of Quebec or

the State of New York, the calling of meetings of the Club and of the Board of Directors, the quorum, the requirements as to proxies, the procedure in all things at such meetings, the site of any office which the Club may require to have in the State of New York, the imposition and recovery of all penalties and forfeitures admitting of regulation by By-Law, the rights and duties of members, and the conduct, in all other particulars, of the affairs of the Club; and every copy of any By-Law under the seal of the Club, and purporting to be signed by any officer of the Club, shall be received in all courts of law as *prima facie* evidence of such By-Law.

XI. 1. The seat or domicile of the Club is fixed in the township of Ristigouche; and service upon the corporation may be made at the Club House or establishment on the lands held by the Club in such township, speaking to an officer of the Club or to a person employed in such Club House or establishment.

XII. 1. The members of the Club shall not, as such, be personally responsible for any liability of the Club, beyond their shares in the stock thereof.

XIII. 1. Notwithstanding anything in this act contained, the members, agents, servants, lessees and grantees of the Club shall not pursue and take game and fish during the close season as fixed from time to time by law.

XIV. 1. This act shall come into force on the day of its sanction.
